

Company visits in the SUCCESS RELOADED Summer School Program

During the two-week event, we included several company visits in the program. These companies welcome the audience with introductions and interesting programs.

Auchan is a French international retail group and multinational corporation headquartered in Croix, France. Auchan currently employs 287,000 people and operates 1,774 stores in 12 countries around the world. The first store opened in Hungary in 1998, and currently operates 19 Hyper and 5 Supermarkets plus the online store.

Ghibli is a Hungarian logistics company, founded in 1996, at that time it mainly dealt with deliveries to Italy. Thanks to continuous growth, it already has its own warehouse of 55,000 m², 100 own vehicles and more than 250 employees. It currently has direct shipping relationships with more than 100 countries, including road, air, sea and rail. Exclusive Hungarian member of two global networks, through which you can reach any destination in the world. The most significant Hungarian logistics company in East Asian economic relations.

Fraud Fighters, is a Hungarian start-up founded in 2017, offers fraud prevention tools to companies operating in the banking, insurance, e-commerce, online lending, travel, casino and other industries, to verify the customer, and to detect and prevent financial fraud. SEON offers an end-to-end fraud prevention solution that uses artificial intelligence insights to stop fraud before it happens. The company currently works at four locations: Budapest-HU; Austin-US; London-UK, Jakarta-ID. The number of employees is 280.

In addition to the three companies, we also plan to visit Budapest Air Cargo and Csepel Free-Port.
