

Company visits in the SUCCESS Summer School Program

During the two-week event, we included several company visits in the program. These companies welcome the audience with introductions and interesting programs.

Auchan

Auchan is a French international retail group and multinational corporation headquartered in Croix, France. Auchan currently employs 287,000 people and operates 1,774 stores in 12 countries around the world. The first store opened in Hungary in 1998, and it currently operates 19 Hypermarkets and 5 Supermarkets, plus the online store.

Ghibli

Ghibli is a Hungarian logistics company. It was founded in 1996, at which time it mainly dealt with deliveries to Italy. Thanks to continuous growth, it already has its own warehouse of 55,000 m², owns 100 vehicles and employs more than 250 employees. It currently has direct shipping relationships with over 100 countries, including road, air, sea, and rail. It is an exclusive Hungarian member of two global networks, through which you can reach any destination in the world. Ghibli is the most significant Hungarian logistics company in East Asian economic relations.

SEON

A Hungarian start-up founded in 2017, SEON Fraud Fighters offers fraud prevention tools to companies operating in the banking, insurance, e-commerce, online lending, travel, casino and other industries to verify the customer, and to detect and prevent financial fraud. SEON provides an end-to-end fraud prevention solution that uses artificial intelligence insights to stop fraud before it happens. The company has 280 employees and currently operates in four locations: Budapest (Hungary), Austin (USA), London (UK), and Jakarta (Indonesia).

In addition to the three companies, we also plan to visit **Budapest Air Cargo** and **Csepel Free-Port**.
